# SIDE MENU

# DASHBOARD

Here you can see details of jobs created by Control Room (CR) and their associated notifications

The dashboard screenshot shows a top navigation bar with a menu icon, the title 'Dashboard', and an SOS indicator. Below the bar are three status counters: '0 Scheduled Jobs' (green), '0 Awaiting CR Response' (yellow), and '0 Pending Response' (red). A green bar labeled 'Public Jobs' is below the counters. Two blue buttons with white icons (a briefcase and a car) are shown, each with a green 'Continue' button below it.

The notifications screen shows a top bar with a back arrow and the title 'Notifications'. Below the bar are three tabs: 'Job Alerts' (with a red notification badge), 'Messages', and 'Others'. The 'Job Alerts' tab is active and shows three notifications: 'Job Live' (received 'just now'), 'Job Upcoming' (received 'a minute ago'), and 'Job Scheduled' (received '2 minutes ago'). Each notification includes the job name and a brief description.

This screenshot shows the dashboard with a notification overlay. The notification overlay is a white box with a blue header and contains three job status cards: 'Job Live', 'Job Upcoming', and 'Job Scheduled'. The notification overlay is connected to the notification screen screenshot by a blue line.
